Principally Speaking: A Message from Mrs. Cárdenas

Dear Families,

I pray that your Lenten journey is a blessed one this year! I would like to invite you to attend our Holy Thursday retreat activities on March 28. I will send out communication with events/times as the day gets closer.

Our "Dress Down for Two Dollars" on Thursdays has been a wonderful success, and I want to thank you all for your support of our Shea School Improvement Grant. We will also be having a fundraiser in April in partnership with Wendy's on Broadway/Alameda.

Our school needs to be completely empty of classroom/office furniture, classroom materials, etc. by the end of May. We will be storing items in the gym, parish center, and in portable storage units. The process will begin in April, and so I want to let everyone know that we will not be holding a "Celebration of Learning Night" this year. However, we hope that all families will attend our Cinco de Mayo celebration on Friday, May 3. More information to come!

Please remember that it is registration time for the 2024-2025 school year, and Ms. Esther needs your packets returned as soon as possible.

In Christ
Tricia Cardenas

Registration 2024-2025

We sent your registration packets with your children for you to complete and return by April 12, 2024.

Please let Esther know if you want to enroll a new PK or Kindergartener student ASAP before we open it up to the students on the wait list.

Scholarships with Seeds of Hope can be completed when you have your taxes for 2023 completed for uploading in the portal

<https://denvercatholicschools.com/variabletuitionprogram/>

ACE scholarship renewals have already sent out the email to families. Their due date is April 11th. Remember that tax uploading does not always work the first time, so complete the application early as soon as you file your 2023 taxes

Student of the Month

Here are our Student of the Month for January and what their teacher said about their choice:

Koalas – Madelyn Mateo Mariscal is so noble and kind she has been a wonderful part of our Koala class. This month she showed her perseverance by writing all the letters of her name and recognizing the first letter of all her classmates names. She is also keeping herself safe by following the classroom rules. Madelyn helps her teachers by keeping the classroom materials organized. Madelyn helps Mrs. Gabby with her lunch box during meal time. Keep up the good work!

Pandas – Our January Student of the Month is extremely bright, helpful, and caring to other Pandas. **Hector Nevarez Lopez** amazes us with how hard he works and with all of the things he has been learning in the past few months. Hector knows almost all of his letters and numbers, and he has an incredible memory. He is a great listener and is always ready to answer any of our questions. We love hearing what he has to say. We are very proud of his accomplishments. Congratulations, Hector! We love having you in the Panda classroom!

Kindergarten – This boy comes to school every day and he really enjoys learning. He takes school seriously and wants to do a good job. He smiles, he tries hard, and he is kind and inclusive to others! He has an unbelievable memory! He finds red words on every page of a book and he finds the joy in learning. He is always polite, and he makes great observations and comments. The classroom is richer because he is in it! Congratulations to **Jordan Rodriguez!!!**

1st grade – Let's talk about a student that came back from break ready to learn! This student has tried her best every day, even with things are hard. We are very proud of this friend for working so hard in reading groups and in math. She is a great friend to everyone and tries to use her words when friends need help. She shows the value of Faith when she prays for friends who are sick, or her family members. We are so pleased to have this friend in our classroom. Keep up the great work **Danelley Mariscal!**

2nd grade – Regina Quezada Rivera has done an excellent job completing her classwork and always trying her best. She is doing very well in math and asks for more work when she is finished! She is respectful to her teachers and follows directions the first time. Thank you, Regina, for your hard work and respectful behavior!

3rd grade – Fernanda Calzada has put so much effort into her homework and classwork! She is so determined! Her efforts are paying off and she knows that there is more to do. She is friends with everyone, courteous, kind, and respectful!

4th grade – He has invested his time wisely and is rapidly improving in math and writing. He is an active listener and stays on task. He is a good friend to his classmates. His hard work has paid off! We are proud to present **Asharvani Garland** as Student of the Month!

5th grade – This student has been a joy to have in the class all year long. He has proven himself to be extremely helpful and has made vast improvements with academics over the course of the last four months. I am very proud of his achievement as well as his ability to be a good friend. His hunger and thirst for knowledge about God is admirable. He has learned to navigate his way through the Bible and is Excited about what he has learned. **Santiago Osorio** deserves this acknowledgment and much more. I am very proud you and all that you do. I am honored to be your teacher, congratulations.

6th grade – Raul Torres Jarado cares a lot about the quality of his work. He checks often to see if he is doing an assignment correctly and he does not give up until it is done right. He is kind to his peers and respectful of their space.

7th grade – Asis Ruvcalcaba has maintained consistently high grades, showcasing his dedication to academic excellence. His commitment to learning is evident in his impressive grasp of challenging concepts and ability to apply knowledge effectively. He actively participates, listens attentively, and follows along with the lessons with great focus.

8th grade – Levi Sotelo always brings such a positive attitude to the classroom. He has a constant smile on his face and has a kind word to say. He perseveres through problems and asks great questions. Congratulations Levi!

Congratulations to all of you!

Report Cards Athletic News

Report Card Distribution

The date for Report Cards to go home is Tuesday, March 12th. Please sign the envelope that report card went home in, keep the report card and return the envelope signed on Wednesday, March 13th so the teacher knows that you received the document.

We would like to thank you for participating and continuing to support us in raising funds for our share of the Shea Grant remodel each Thursday with the "out of uniform" with the students!

Athletic news

Notices went home the first week in February about returning basketball uniforms and volleyball fees. The week after Parent, Teacher, Student Conferences march 1st, fees will be added in your FACTS accounts for volleyball fees and unreturned basketball uniforms \$100

Parent, Teacher Student Conferences

Parent, Teacher, Student Conferences.

There will not be a regular school day on Friday, March 1st. ONLY those who NEED a 15-minute conference to go over grades with the teachers are REQUIRED to attend on Friday, March 1, 2023 from 7:30AM to 3:30PM which is considered a school day for students.

Your child(ren) teacher(s) should have notified you if you do NOT need to attend a conference. Families are always welcome to make an appointment if you would like as well.

Please let the office know if you need help setting up a time online so we can share the information with the teacher(s).
