Principally Speaking: A Message from Mrs. Cárdenas

Dear Families,

I want to wish all of you a blessed and Joyful Easter this coming weekend. May the joy of the resurrection be present in your hearts and may Christ's love be present with you and your loved ones.

I am deeply grateful for all of you, and especially for the trust you have placed in us to form and educate your children. The opposing forces in our world today sometimes make our jobs as parents more difficult than we desire. However, when we work together through commitment, community, and prayer the Lord brings light to our ever present darkness. I am blessed to have the opportunity to partner with you, and know that I pray for you and your families daily.

I hope that you enjoy the Holy Week programs that are being offered at St. Rose and at our neighboring parishes.

In Christ
Tricia Cardenas

ACE scholarship renewals have already sent out the email to families. Their due date is April 11th. Remember that tax uploading does not always work the first time, so complete the application early as soon as you file your 2023

Spring Fundraiser Chocolates

The candy will be delivered on Thursday, April 4th. Your children may need help carrying the boxes of \$1.00 bars to your vehicles. There are several families who did not order candy and just paid the buyout fee so there are classmates who will help some of the students carry their candy from the gym to carpool.

All candy money is due Wednesday, May 8th. Fees that are NOT paid in full will be added to your FACTS account on Thursday, May 9th which will make your payment increase for MAY.

Student of the Month

Here are our Student of the Month for February and what their teacher said about their choice:

Koalas – This month we are so thrilled to announce **Nively Carrera** as the student of the month. One day Nively asked me, "what do I need to do to be the student of the month"? I explained that she has to work very hard and always do her best with the school assignments, she must always follow the classroom rules, listen to her teachers and be kind and helpful with her peers. since that day Nively was on a mission. She became a leader in the classroom, as well as an excellent student. She is a very good friend to all her classmates by organizing birthday parties, creating piñatas and "cooking" them food. She has made a lasting impression and I hope she continues to always strive for greatness.

Pandas –The Panda classroom's Student of the Month for February is a girl that has so much personality! **Delilah Martinez** is an amazing conversationalist. She is always the first to answer any of our questions and to give us ideas on ways to solve problems in the classroom. Delilah is very helpful and kind. She has improved so much in the past few months, especially in her social skills, her letter recognition, and in writing her name. We are so excited to see how much more she learns and grows before the end of the school year, when she will be moving on to Kindergarten! Keep up the great work, Delilah!

Kindergarten – I am so proud to nominate this girl for student of the month. She is a hard worker, always tries to do the right thing and she loves Jesus! She has worked hard this year especially in math, to get better with her numbers. She was struggling to count and recognize her numbers to 20 and now knows them all the way to 100! She always takes her time on her work, she takes school seriously and she is hardly ever absent - she comes to school each and every day. She sets an example of friendship to others and is kind and caring. We are so proud of you, **Azeneth Pena!**

1st grade – February's candidate for Student of the Month is a real ray of sunshine! This first grade friend is truly kind to everyone she meets. She will share her supplies with classmates, help clean up the classroom, and support anyone who is sad. She is a true example of what it looks like to act like Jesus. In addition to that, she is crushing her spelling tests and reading comprehension. Congratulations, we are so proud of you, **Elara Serna!**

2nd grade – **Sofia López-Ruiz** has been working very hard this year in math and reading. She has also been a kind friend to her classmates and respectful to her teachers. Thank you, Sofia, for all of your hard work and kindness!

3rd grade – I believe Brian Martinez is a great candidate for February student of the month. Brian is a star in our 3rd grade classroom! Brian is eager and excels in his academics. He truly enjoys coming to school and learning. We especially appreciate

Brian for his classroom job duty, "Altar Boy" as he holds great reverence for this responsibility in leading us in our daily prayers. Brian is also most helpful towards his classmates by keeping them on task and reminding them to practice good behavior such as his quiet coyote symbol to hush chatter when necessary. We are proud to have Brian on our 3rd grade team!

4th grade – Paloma Perez This student is a hard worker. She invests herself in her studies and is always eager to learn. She balances her time wisely with her sports and extracurricular activities and still excels in her school work. She is a good friend and has a heart to help others. She shows compassion with her classmates. She always has a smile to brighten people's day. It is a joy to have Paloma in the fourth-grade class.

5th grade – This student has worked very hard all school year to improve her work ethic. In addition to her perseverance, she has made great strides in academic and social-emotional growth. She is a delight to have in class. The kindness and joy she has is contagious and spread to her friend's teacher. **Darianna Jaquez** is a special student who demonstrates accountability and craftsmanship. She is a trooper in putting education at the forefront.

6th grade – **Zahyr Escamilla Contreras** has been working especially hard this month. He has done exemplary work on his persuasive writing research and his behavior has improved a lot. His sense of humor helps to create a lighter atmosphere in the room and his potential as a scholar becomes more and more apparent every day.

7th grade – **Anthony Miramontes** has consistently maintained great focus and effort in his math and science classes. He is respectful, follows directions, and completes excellent work. He is a model of good behavior to his classmates, and a true leader in the classroom.

8th grade – **Fernanda Garcia-Alarcon** has made a tremendous improvement in all aspects of the classroom this year. Her dedicated efforts and hard work do not go unnoticed. When she does not understand at first, she pushes through until she succeeds. I am incredibly proud of Fernanda!

Congratulations to all of you!
